

<b>Objectives/Overview/Methodology</b> .....	2-5
<b>Television, Connected TVs and New Services</b>	
Key Findings .....	6-9
Overview of Results .....	10-28
<i>Penetration of Various Products and Services in the Home</i>	
<i>Plans to Subscribe to Services/Products among Non-Users</i>	
<i>Hours Watching TV per Day Overall, by Income and Age/Gender</i>	
<i>Interest in Watching Video on Various Devices Overall, and by Age</i>	
<i>Interest in Watching Anything, Anytime, Anywhere</i>	
<i>Interest in Home Networking Capability</i>	
<i>Interest in the Ability to Shop on TV using TV Remote</i>	
<i>Interest in Watching Video from the Internet on TV</i>	
<i>Interest in Connecting Various Devices to the Internet</i>	
<i>TV Sets, Video Game Systems, and Blu-Ray Players Connected to the Internet</i>	
<i>Frequency of Watching Video from the Internet via Connected Devices</i>	
<i>Frequency of Connecting a Computer to a TV Set to Watch Online Video</i>	
<i>Netflix Subscribers' use of "Watch Instantly" Feature</i>	
<i>Use of BD-Live Feature to Access Additional Content</i>	
Summary and Implications .....	29-30
<b>Online and Online Video</b>	
Key Findings .....	31-37
Overview of Results .....	38-85
<i>Home Computer Ownership Overall, by Income and Age</i>	
<i>HD-Capable Monitors in the Home</i>	
<i>Online and Broadband Subscription Overall, and by Income</i>	
<i>Time Spent Online per Day</i>	
<i>Time Spent Online Compared to Time Watching TV by Age/Gender and Income</i>	
<i>Frequency of Being Online and Watching TV at the Same Time</i>	
<i>Frequency of Watching Online Video Overall, by Age, Income and Age/Gender</i>	
<i>Frequency of Watching Online Video Compared to Last Two Years</i>	
<i>Typical Time Spent Watching Online Video</i>	
<i>Types of Online Video Viewed</i>	
<i>Watched Full Length TV Shows Online by Age</i>	
<i>Types of Full Length TV Shows Viewed Online</i>	
<i>Sites for Watching TV Shows Online</i>	
<i>Willingness to Pay to Watch TV Shows Online from a Service like Hulu</i>	
<i>Online Video Viewing's Impact on TV Viewing</i>	
<i>Online Video Viewing's Impact on DVR and On-Demand Use</i>	
<i>Importance that Online Video is Available in HD</i>	
<i>Interest in TV Everywhere Service</i>	
<i>Interest in Subscription to Premium TV Networks' On-Demand Services on the Computer</i>	
<i>Frequency of Downloading Movies and TV Shows</i>	
<i>Use of the Internet at Work</i>	
<i>Frequency of Watching Online Video at Work</i>	
<i>Comparisons of Frequent Online Video Users, Those who Watch TV Shows Online, and Others</i>	
<i>Total Time Watching Video Online</i>	

## Mobile Phones and Video to Mobile Phones

Key Findings .....	86-88
Overview of Results .....	89-109
<i>Mobile Phone Ownership Overall, by Income and Age</i>	
<i>Mobile Phones Purchased in the Past Year</i>	
<i>Video-Capable Mobile Phone Ownership Overall, by Income and Age</i>	
<i>Interest in Video-Capable Mobile Phones</i>	
<i>Watched Video on a Mobile Phone in the Past Month Overall and by Age</i>	
<i>Types of Videos Watched on a Mobile Phone</i>	
<i>Typical Time Spent Watching Video on a Mobile Phone</i>	
<i>Additional Fee Paid for Video on a Mobile Phone</i>	
<i>Interest in Various Forms of Video on a Mobile Phone</i>	
<i>Interest in the Ability to use a Mobile Phone to Program DVRs</i>	
<i>Interest in Getting an iPhone</i>	
<i>Comparisons of Video-Capable Mobile Phone Owners, Those who Watch Video on Phones, and Others</i>	

## iPods and MP3 Portable Media Players

Key Findings .....	110-111
Overview of Results .....	112-127
<i>iPod/MP3 Player Ownership Overall, by Income, and Compared to Last Year</i>	
<i>Video-Capable iPod/MP3 Ownership</i>	
<i>Personal Use of iPod/MP3 Players</i>	
<i>Number of Songs on iPod/MP3 Players</i>	
<i>Percent of Songs Paid to Download</i>	
<i>Number of Videos on iPod/MP3 Players</i>	
<i>Frequency of Watching and Downloading Video to Video-Capable iPod/MP3 Player</i>	
<i>Where Video is Watched</i>	
<i>Types of Videos Watched on iPod/MP3 Players</i>	
<i>Typical Time Spent Watching Video on iPod/MP3 Players</i>	
<i>Comparisons of Video-Capable iPod/MP3 Owners, Those Who Watch Video on iPod/MP3, and Others</i>	
<i>iPod Sales Data</i>	

## Emerging Video Services

Summary and Implications .....	128-130
--------------------------------	---------

## Related Products & Services and Demographics

Key Findings .....	131-133
Overview of Results .....	134-152
<i>Multi-Channel Video Subscribers Overall and by Emerging Video Services Categories</i>	
<i>Likelihood to Disconnect Multi-Channel TV Subscription to Only Watch Video Online</i>	
<i>Don't Need to Subscribe to TV Service Because of Online Video</i>	
<i>Netflix Subscribers' Likelihood to Disconnect or Downgrade Multi-Channel TV Subscriptions</i>	
<i>Multi-Channel Video Industry Net Adds Over the Past Two Years</i>
